Dear Sir: I am instructed by Dr. Calbreath to inform you that Thomas A. Wilson, who was admitted into this institution Aug. 18th, 1901, from the District of Alaska, suicided yesterday evening, Jan. 9th, 1902, by jumping from a third story window in the passageway to gallery of the chapel. He was assisting in carrying chairs into the gallery for an entertainment to take place in the evening. Mr. Wilson had recently greatly improved in his mental condition, and was distressed at finding himself in an insane asylum. He had not exhibited any suicidal tendencies heretofore. He suffered internal injuries, and died about midnight.

His relatives in England and Australia have been notified of his death.

Judging from word received from the department, in reference to my last quarterly report, I think it will be necessary for you to notify the Department of the commitment of persons from Alaska. Mr. William Bauer, whom I reported to you as eloped, was recaptured promptly and is now here.

You will please receive at the hands of Dr. F.L. Goddard, or his agents, two insane persons, Alexander H. HOME,
Fort Steilacoom, Wn. October 13th, 1900.

To the Superintendent of the
Steilacoom Insane Asylum,
State of Washington.

Sir:-

I send you by Deputy U. S. Marshall James W. Helms, two patients, both having been duly adjudged insane, as you will see by the commitments Mr. Helms will hand you. Their names are William Baur and Alexander H. Carpenter.

I take it that Governor Brady of Alaska, has contracted with the Steilacoom Asylum for all patients sent from Alaska, as that is the nearest asylum, and the law which passed Congress June 6th, authorized and directed him to contract with an asylum west of the main range of the Rocky Mountains for all the Alaska insane. I have not yet been notified, but have heard unofficially that he ~~has~~ contracted with the Steilacoom Asylum. In case the contract has not been made, you will please receive these men and immediately notify Governor Jhon C. Brady, Juneau, Alaska, who will contract with you and pay you. In any event I want you to receive these men and I will see that you are paid. By at once notifying Governor Brady he will attend to the matter at once. I am obliged to send these men out now as the last ships are leaving for the states and I cannot wait for official notification of where to send them.

Very respectfully,

C. L. Vawter

United States Marshall, 2nd Division.
