Dear Mr. Coe:

The end of another fiscal year is fast approaching and this always brings annual reports -- in my case, the report to the Secretary of the Interior.

Last year the report of your department ran to about 100 words. We would like to have something of about the same length for the 1954 report. I am sending a tear sheet from last year's report for your information.

I should like to have this material by the first of August if possible. Thank you for your help and cooperation.

Sincerely yours,

B. FRANK BRIDGEMAN
Governor
