If you have any records on these patients please forward them for our information. To date we have not been able to get any information of the financial status of these patients with the exception of Alan Curtis, Case #00-03-52: On the memorandum to Mr. Herman Trivette, Fiscal Services, dated 2-17-64, subject- receipts, which states that a payment in the amount of \$150.00 was made by Max Curtis for the care of Alen Curtis with the credit going to Morningside. Is this amount a regular monthly payment that is made as payment for the care of Alen Curtis, who is now a patient here at API.

Mr. C. M. McLean, Administrator  
Division of Mental Health  
Alaska Office Building  
Juneau, Alaska

Dear Mr. McLean:

We are today separately sending you the originals of the commitment papers or Application for Hospitalization and related documents for the patients who have been transferred to the Harborview Nursing Home.

Unfortunately, the papers for Ethel Olson, number 3061, who was admitted on her parents' application, could not be located at this time. Undoubtedly they will turn up and we will send them to you. Very likely they were misfiled during the process of going over all the charts of these patients to prepare the record which accompanied them. The information which they contained is, however, included.

Very truly yours
