Honorable Anthony T. Lausi,

Dear Mr. Lausi:

I spoke to Mr. Robert Williams, Personnel Officer at the Bonneville Power Administration last Friday. He told me that if and when they received word from you they would be most happy to assist me in recruiting a secretary or stenographer. He also told me that he was pretty sure that it could be arranged for equipment such as filing cabinet, typewriter, desk, chair, etc., for our use to be supplied from there. I shall be interested in the turn of events.

Thanking you for past favors and courtesies, I am

Very sincerely yours,
